Australian Sausage Roll

Ned Kelly Pie

Savory baked goodness

- Australian Sausage Roll** 3.30
Some would say it's somewhere between a hotdog and a corndog, but we think it's in a league of its own with a combination of USDA ground beef, breadcrumbs and our special seasoning, all wrapped in our flaky pastry roll.
- English Pork Pie** 5.00
Our Pommy pork pie (Australians refer to the English as Poms) is a mix of minced pork and bacon with a dash of thyme and other seasonings in our short crust pastry. It's served by the slice cold, the traditional way, or hot.
- Spinach Triangle** 4.60
It's Greek name, 'Spanakopita' was just too hard for the average Aussie to pronounce. A scrumptious combination of spinach, feta cheese and onion.

The Australian Pasty

It is to vegetable lovers what a pie is to meat lovers. Not to be confused with burlesque pasties, the famed pasty was introduced by early Cornish settlers. It's shape comes from the clever Cornish creating a disposable 'pastry handle' for their miners' dirty hands to hold.
